

get the biggest bang for your buck

No pay-for-placement. Listings are based solely on vehicle price.

A level playing field for all dealers

- Search results are listed solely by vehicle price, so your inventory is as prominent as the next dealer's
- You get an equal shot at local, ready-to-buy, quality car shoppers

The Independent dealer solution

- Exclusive online partnerships, extensive national advertising and a one-of-a-kind local media network showcase your dealership and inventory to more ready-to-buy customers in your area
- Inventory that's always current and searchable, optimal merchandising opportunities, and additional premium products provide your dealership with a superior, single, online advertising source

Generates quality traffic four ways

- E-mail: Shoppers can contact you at any time
- Phone Calls: A toll-free number that tracks cars.com customers
- Walk-ins: Dealer contact info and a printable map are easily available
- Web Referral: Buyers can click directly to your site

Here to help you succeed

- Cars.com provides you with daily, weekly and monthly *dealer-friendly* reports to help you maximize your online ROI
- Weekly training calls, in-market dealer training and comprehensive customer support are all available to you as a cars.com customer

Sell more cars today

- Make your online advertising dollars work as hard as you do
- Call **1-800-298-1460**, or visit **dealers.cars.com**

cars.com is a proud NIADA Preferred Provider

Search results determined solely by vehicle price

Year	Vehicle	Price ↓	Mileage	Photo	Seller
