

Finance Express has added Wachovia Dealer Services to their lender platform

RANCHO SANTA MARGARITA, CA, February 8th, 2010 -- Finance Express, the leading provider of web-based financial services and technology for independent auto dealerships, announced today that they have added Wachovia Dealer Services to their platform. Wachovia Dealer Services is the “#1 used car lender in the industry”. They provide a broad spectrum of lending and have been a stable lender in the industry.

“We are excited about the addition of Wachovia Dealer Services to our lender platform. They are one of the leading lenders in the auto finance industry. They have a history of commitment to their dealer customers and understand them as well as any lender in the country.” says David Huber, President of Finance Express.

“Joining the Finance Express platform enables us to expand our support for the independent dealer segment.” says Lyndon Elam, Business Center Manager.

Finance Express is constantly looking to add strong lenders to our platform. The Finance Express platform fills an important need in the independent dealer community by helping to link these dealers with quality lenders. Today’s announcement represents a response to hundreds of requests we have received from independent dealers to add Wachovia Dealer Services to the Finance Express platform. We are proud to expand our solution offering.

About Finance Express

Finance Express is the leading provider of online services and web-based technology for the independent dealer market including comprehensive DMS functionality such as; inventory management, loan servicing, accounting integration, internet marketing and website hosting, credit application processing, credit data reporting and lender integration. The comprehensive platform provides dealers online access to a single, seamless solution and insures a safe and secure environment for participating lenders. For more information see its web site:
